It's easy to find a network provider online

At Blue Shield, we believe that finding a doctor should not give you a headache. That's why our website, **blueshieldca.com**, features our most up-to-date listings of personal physicians, specialists, and hospitals.

You do not need to log in to find a provider on blueshieldca.com; simply follow the instructions below. If you are an existing member and have registered on the site, log in and your plan will automatically be selected when you search for a provider.

How to find a PPO network doctor

- Go to **blueshieldca.com/networkppo**.
- Select the type of provider that you are searching for.
- Click on *Advanced Search* to further filter your search, such as by name, specialty, facility type, and more.
- Enter your city and state or ZIP code, then click *Find now*.
- To get a printable copy of your search results, click on *Get Results as PDF* above the map and select your preference to download the document or have it emailed to you.

The default distance/radius search is 15 miles. To expand or narrow the search radius, click zoom (+ or -) in the map on the provider search results page.

Find out your provider's quality of care rankings

You can easily access quality scores, efficiency indicators, patient satisfaction scores, and cost information for many individual physicians and hospitals. To see a provider's performance profile, simply click on the name of the doctor or hospital from your search results.

We're here to help
